**Option 1:** Just summarize after each chapter to make sure you remember what just occurred.

---

**Option 2:** Dig a bit deeper and look for meaning.

**p. 20** I wonder why **Gwen** is scared of **Max**? His father must have done something pretty bad for her to be scared of a kid.

**p. 40** They are talking about the sunset. ??? There must be a deeper meaning to that. Need to look into the possible symbolism of the sunset
